

Residents of Berwyn Heights!

We are happy to announce our new partnership with locally-owned food scrap recycling service, Compost Crew. Beginning Monday, July 20th you can help make a positive environmental impact in our community by bringing your food scraps and other compostables to our NEW drop-off site.

- Service will begin Monday, July 21th
- Bins will be located at Town Hall: 5700 Berwyn Rd, Berwyn Heights, MD 20740
- Hours of Operation: 8 am – 7 pm. daily
- Our drop-off site is open to all Berwyn Heights residents wishing to participate

Together we can help reduce the amount of trash that goes to our landfill, reduce greenhouse gas emissions that pollute our environment, and revitalize our soils. For more information, please contact us [publicworks@berwynheightsmd.gov](mailto:publicworks@berwynheightsmd.gov) or visit <https://compostcrew.com>.
